Visit to Machu Picchu

LOCATION	DURATION	TIME
Cusco - Perú	2 hours	16:02:00 - 18:02:00

You will get to know in depth the sanctuary of Machu Picchu which is located at 2,430 meters above sea level, in the middle of a tropical forest of mountains, in an extraordinarily beautiful setting. It was probably the most striking urban creation of the Inca Empire in its heyday; its giant walls, terraces and ramps seem to have been naturally cut into the continuous rock escarpments. The natural setting, on the eastern slopes of the Andes, encompasses the upper Amazon basin with its rich diversity of flora and fauna. Embedded in a spectacular landscape at the meeting point between the Peruvian Andes and the Amazon basin, the Machu Picchu Historic Sanctuary is one of the greatest artistic, architectural and land use achievements anywhere and the most significant tangible legacy of the Inca civilization.

Full Day Tour in The Sacred Valley

LOCATION	DURATION	TIME
Cusco - Perú	10 hours	06:01:00 - 16:01:00

Pick up is from your hotel between 08:00 and 08:15 a.m. First place to visit is Pisac. This place is known because of the Inca ruins and the colorful Artisan Fair. Around noon there is the chance to make a lunch stop at Urubamba town. The afternoon tour is at Ollantaytambo, built to guard the entrance to this part of the valley and protect it from possible invasions of the inhabitants of the jungle. You can walk through the streets of the town. After Ollantaytambo we will return to Cusco by Chinchero where the remains of the royal treasury of Tupac Inca Yupanqui are found. Here we can see its well preserved Inca Wall in the main square and visit the beautiful colonial temple with interesting frescoes in the portico, built on the foundations of an Inca building. You are going to be back at your hotel around 19:00.
